#### WORK EXPERIENCE

- 08 **Power Plate North America. Northbrook, IL**  
Designer  
Worked as part of the in-house design team in the North American office of a global brand. Here I designed pieces to be distributed across 70 different countries. Was part of a rebranding period of the company and helped work to relaunch the global brand.
- 07.09 **Creative Circle. Chicago, IL**  
Freelance Designer  
During my tenure with Creative Circle, I spent time working on a variety of projects for a variety of companies, including both agencies such as Six Degrees and in-house departments for corporations like Power Plate North America and OfficeMax. Projects included direct mail, brochure/catalog work, print ads, posters, and brand identity and style guide layouts.
- 07 **Follett Higher Education Group. Oak Brook, IL**  
Hardware Trade Representative  
Worked in the IP department assisting in the buying and distribution of computer software and products from vendors to the company's book stores around the country. Other responsibilities included inventory tracking and revenue reports.
- 06.07 **Shriver Design. Oxford, OH**  
Designer  
Student run design firm on campus at Miami University. Designed ads, flyers and other promotional items for student groups, clubs and other organizations and local businesses in addition to other responsibilities.
